## WHAT IS INTERESTING WESTERLY

**Norwich Officer Inspects Hancock W. R. C.—Republican Nominees Reply to Queries of Union Labor—State Road Building to Begin Monday—Junior Mechanics Honored at State Council—Death of Mrs. Frank U. Lamb—Personals.**

Mrs. Gertrude Tothill of Norwich, assistant inspector, department of Connecticut Grand Army of the Republic, made official visitation to Hancock post, Woman's Relief corps, Tuesday, inspecting the books in the afternoon. At the regular meeting in the evening Mrs. Tothill inspected the corps work and spoke encouragingly of the general good condition of Hancock corps. After the meeting there was a reception in honor of the assistant state inspector and a collation was served.

The republican caucus of the town of Westerly to nominate a candidate for senator and for representative to the next general assembly was held in the evening of Tuesday, October 12th, at the home of Mrs. B. Pendleton, was chosen chairman and John J. Dunn secretary. After the call for the caucus was read William Clark placed in nomination Louis W. Arnold for senator and he was unanimously chosen. Mr. Clark then nominated Albert H. Langworthy and he was also unanimously chosen.

James MacMonnies, representing ship labor in Westerly, then asked the nominating committee to have the fifty-four hour labor bill introduced in the next general assembly, if they would favor the passage of that bill.

Senator Arnold replied that he voted against a compromise fifty-six hour bill as he was interested in the educational bill which stipulated that before employed children should be required to read common sentences in the English language. He was opposed to having the educational bill sidetracked and insisted that he would not vote for the compromise fifty-six hour bill.

This bill was sidetracked and he voted against the fifty-six hour bill but he did support the bill and at the closing hour in the senate it was defeated, 15 to 14. He said it would be a pleasure to support the fifty-four hour bill at the coming session and he hoped the bill would become general law in Rhode Island but in every state in the union.

Representative Langworthy declared he was in favor of the passage of the bill.

The long delayed work of building the new state road in the town of Westerly will be commenced on or before next Monday and will be started at the Potter Hill bridge and be continued to the Watch Hill road and extend to the Albert H. Langworthy place and beyond.

Bids have been advertised by the state roads committee for the construction of a stretch of about three miles according to state requirements. The section to be improved is upon what is known as the Shore road and will commence at the junction with the Watch Hill road and extend to the Albert H. Langworthy place and beyond.

There were eighty-four past councilors present, including three from Westerly.

The state branch endorsed the endeavors of the organizations towards the restriction of the legalized saloon and liquor licenses. Reports showed a slight net loss in the membership during the year. The minimum initiation fee was fixed at \$5. The next convention will be held in Wakefield. These officers were elected: Arnold T. Thurber of Providence, state councilor; Joseph J. Northrup of Wakefield, vice councilor; Arthur W. Bar-

**A 50 Cent Box of my Rheumatism Remedy Free.**

My Remedy has actually cured men and women seventy and eighty years of age—some were so decrepit that they could not even dress themselves. To introduce this great remedy I intend to give fifty thousand 50 cent boxes away, and every suffering reader of this paper is courteously invited to write for one. No money is asked for this 50 cent box neither now or later, and if afterwards more is wanted I will furnish it to sufferers at a low cost. I found this remedy by a fortunate chance while an invalid from rheumatism and since it cured me, it has been a blessing to thousands of other persons. Don't be skeptical, remember the first 50 cent box is absolutely free. This is an internal remedy which goes after the cause of the trouble, and when the cause of rheumatism is removed, have no fear of deformities. Rheumatism in time will affect the heart, so do not trifle with this merciless affliction. Address enclosing this adv. JOHN A. SMITH, 3211 Smith Bldg. Milwaukee, Wis.

## Grand Auction Sale OF HOUSE LOTS

**THURSDAY, OCTOBER 14th, at 1.30 P. M.,**

Sees the Opening of a Land Sale that will attract the attention of all interested in values of Residential property in Norwich. On that day, will be sold at PUBLIC AUCTION, the well known SLATER PROPERTY, which has lately been sub-divided into 42 Choice Residential Lots, and named

**"Fairlawn Park."**

It is situated in Norwich's most Exclusive Residential District, only a few minutes' walk from the business centre, and on Broadway, Slater Avenue, Broad and Cedar Streets, and a new street named Elmwood Avenue has just been laid out through the property.

"Fairlawn Park" has all city improvements, water, sewer, gas and electric lights, while the streets are graded, sidewalked and curbed.

The Mansion on the property, said to have cost over \$250,000, will also be sold, regardless of cost or value, either to remain on the property or to be removed.

It positively will be sold at some price, and builders and others interested are invited to examine the inside any day before sale. The inside work on this Mansion is said to have cost more and be more artistically finished than any other house in the State.

On Wednesday evening, October 13th, from 7.00 to 10.30 p. m., the house will be illuminated, and the Public is invited to inspect same.

**BAND CONCERT** by TUBBS' MILITARY BAND, from 7.30 p. m. until 10 p. m. Wednesday Evening, on the lawn. We shall also exhibit in the Mansion the Pianos and the Beautiful Presents that we shall give away FREE the Days of the Sale.

Never such a sale as this in the history of Norwich. It is property that has a recognized and standard value. No man who knows anything of Norwich's Geography can look on this spot and doubt the absolute truth of this assertion, and real estate circles in Norwich never expected to see the day when it would be sold at auction and on easy terms. The lots are all high, dry and level, and offer the opportunity which has long been sought by the homeseeker and investor to buy high class, restricted city property at their OWN PRICE and on easy terms.

We wish to have the Public come to this sale, to see the great improvements, and as an advertisement we are going to give away FREE \$2,000 worth of Valuable Souvenirs, including 3 Upright Pianos. These are Absolutely Free to those attending the Sale. You do not have to purchase anything or spend one cent to receive same. (See small bills for particulars.)

A few lots will be reserved for sale Friday and Saturday at same hour, but attend first day's sales and secure first choice.

**EASY TERMS!** Only 10 per cent down, 10 per cent within 10 days, the balance in monthly payments extending over a period which will be announced before sale. The property will be suitably restricted.

For further particulars, inquire of owner on the property. **JOHN J. LINSKEY, Owner.**  
L. H. GREEN, 353 Fifth Avenue, New York, N. Y., will conduct sale.
